SAP CPI ACCOUNT CREATION

2: START WITH SAP

May 5, 2020 Sanjay KV

SAP

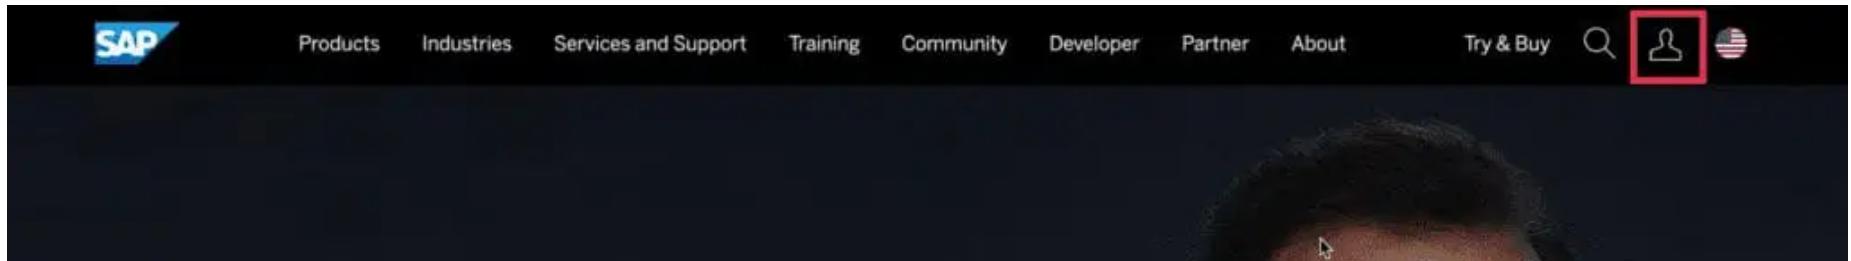

Set up your SAP CPI Trial Account.

Are you wondering how to set up SAP CPI Trial Account? , this post will help you to do the same from scratch. This Tutorial has been updated on **03 March 2021** because there has been a lot of UI changes that happened on SAP CPI. Hope you have gone through the basics of [SAP CPI Fundamentals](#) in the last post.

Finalize Your Account

Dear [REDACTED]

Thank you for registering for an SAP ID Service account on SAP.com.

This one time registration process will give you continuous access to **Free Trial Software**, **Documents & Reports**, the **SAP Community**, and more.

Once logged in for the first time SSO (Single Sign-On) will be enabled. To activate your new account click the link below.

[Click to activate your account](#)

If the link above is not displayed or does not work, copy and paste the link below to the address bar of your browser.

Step 3a: Verify your email ID and Mobile number, SAP will send you a verification code to **both the Mail and Phone number you have given**. This is the last stage of Set up your SAP CPI Trial Account.
